This Manual should be folded as follows:

Charging Device

- 1 Set the mode to "Off" position
- 2 Slide the USB cover to open
- 3 Plug USB cable (not included)
- 4 Connect to mobile device

Sentina 24 can fully charge standard 1.0A smart phone such as iPhone, Galaxy S4 etc ...

Charging time : 1.5 ~ 2 hours

**Caution:** Do not charge 2.1A device (such as iPad, Tablet), it will overload Sentina 24

Cautions

- Always keep Sentina 24 on a power socket and it has virtually no power consumption in standby mode. It will never overcharge. Continuous charging will extend life of battery
- Avoid full discharge & always charge battery between uses
- Do not throw the product into fire
- Do not attempt to disassemble or alter the product
- Do not immerse the product in water or other liquids
- Do not use alcohol, benzene, thinners to clean the product
- To clean the product, wipe it with dry, soft cloth
